

## QUALIFIED MAF PHYSICIAN LIST

A Qualified MAF Physician is a board-certified neurologist, board-certified neurosurgeon, or other board-certified neuro-specialist physician, who is part of an approved list of physicians authorized to make a Qualifying Diagnosis. If you have received a Qualifying Diagnosis before January 7, 2017, you do not need to schedule an appointment with a Qualified MAF Physician. Instead, the physician who made the diagnosis should fill out the Pre-Effective Date Diagnosing Physician Certification Form.

You can contact these approved Qualified MAF Physicians to schedule your appointment. **You will be responsible to cover the cost of any such appointment.** We list the insurance plans accepted by each physician, but be sure to confirm whether your specific plan is accepted with the doctor's office before your appointment.

**This list of Qualified MAF Physicians will expand as we continue to identify additional physicians, so check back often to see if Qualified MAF Physicians have been added in your area.**

If you have any questions about the Qualified MAF Physicians, email us at [ClaimsAdministrator@NFLConcussionSettlement.com](mailto:ClaimsAdministrator@NFLConcussionSettlement.com) or call us at 1-855-887-3485.
